## Sermon Outline, April 5, 2020

### Luke 24:13-35: Risen and With Us

#### Where is God?

*If God is perfectly loving and all-powerful, **why would He let bad things like the Coronavirus happen?***

- **Why can't we see Him** at work, helping us?
- **Where is God** when I need Him the most?

#### Blind to the Truth (24:13-24)

*Is **seeing** really believing? Or, is **believing** required to see?*

- Are we looking for Jesus the Person, or a shortcut to the prosperity that the world is pursuing?
- Would you **welcome Jesus** to show up in Your life, and receive whatever He has to say to you, and follow Him wherever He leads, or do you have some **conditions** for Him to meet?

#### Eyes of Faith (24:25-35)

*Do we have **time for God** in our life – to not only get our reading done, but to linger and reflect on what He's saying to us?*

*Or to walk and talk with Him throughout the day?*

- **Listening to Scripture, spending time with Jesus, and having fellowship with others** – If and when you've practiced these things, have you been able to recognize where Jesus is present and active in your life?

#### God With Us

*Today, take the **Lord's Supper as a reminder** that as we gather together in His Name, He is with us.*

*Also use it **as a personal way to invite Jesus** into your life – to speak to You, guide you, and empower you by His Spirit.*
