## Sermon Outline, May 3, 2020

The Pursuing God: Luke 15:1-10

Lost and Forgotten?

*What do we **feel** about God?*

- *Do we feel more or less connected to Him at this time?*
- *How do we normally connect with God, and has anything changed to help or hinder this?*
- *Have you experienced any struggles?*
- *Would you have any questions for Him at this time?*

**God the Shepherd and Housewife**

- *Based on what we've seen in the Gospel of Luke... how do we view God, and how He relates to us?*
- *Is there an image, or descriptive word that you would use to describe Him? Feel free to call out answers*

*How do Jesus's actions contradict what the religious leaders expected from the promised Savior from God?*

- *How does Jesus's portrayal of God in these parables differ from what the religious leaders expected?*

**Rejoicing with God**

*Knowing God's heart for the lost, will we open our hearts to them?*

- *Knowing God's love and forgiveness shown to us, will we show the same to others?*
- *How can we reach out to others, as the shepherd and woman did?*
- *How can we celebrate with God, as the lost are found by Him?*
